Have you ever had to face this situation?

If you own a vehicle 9 times out of 10 you have...

If the above facts hold true, then help is here for all Up County WFNJ (**Work First New Jersey**) customers, who are receiving full TANF (**Temporary Assurances for Needy Families**) benefits by way of the PCBSS (**Passaic County Board of Social Services**).

The Greater Paterson OIC has partnered with the Passaic County Board of Chosen Freeholders, Department of Human Services, and Board of Social Services to take another step in the direction of retention to assist **WFNJ TANF** customers with improving your opportunities to retain employment as well as opening a broader opportunity to enhance your marketability in the Workforce and Educational sector, eliminating obstacles/barriers that maybe hindering your advancements in everyday life.

OUR GOAL

The Goal of the **Greater Paterson OIC** is to provide a quality service to its community at large for their personal success and relieve a portion of financial stress with the assistance of Our Vehicle Maintenance Program.

“Don’t let your wheels stop spinning! Take advantage of this Opportunity! That speedbump you just hit is Temporary.”

OUR EXPECTATIONS

We anticipate our customers to be able to move in the needed direction for personal success, being as though an obstacle/barrier has been removed from their personal and daily challenges

OUR SATISFACTION

As a Supportive Agency, we thrive from the fact knowing that we’ve improved a portion of customers life, as well as removing those small however insurmountable issues that may occur when least expected.

To know that we’ve HELPED a customer apply some leverage in their current status brings us relief knowing that another customer can move forward successfully.

Automotive Service Excellence

The National Institute for Automotive Service Excellence is a professional certification group that certifies professionals and shops in the automotive repair and service industry in the United States and parts of Canada. It is an independent, non-profit organization created in 1972 in response to consumers needing to distinguish between incompetent and competent automotive technicians. The organization aims to improve the quality of vehicle repair and service through the testing and certification of repair and service professionals.

Our Products and Services

As the service provider in collaboration with the **Passaic County Board of Chosen Freeholders** and **Passaic County Board of Social Services**.

We will be extremely strict to adhering to our guidelines and policies to how this program functions regarding expenditures being allocated per vehicle being serviced.
